 England (London)		*	*	*	*	*	*	✓
 USA (Bay Area)	*	*	*		*	*	*	✓

- ✓ All programs offered.
- * Select majors are compatible, please refer to your Application Status Check to determine your compatibility.

Students in the Explore Program for undeclared students should identify which college or major is most aligned with their interests when choosing a site, as curriculum is tailored to specific colleges. Choosing a site that does not align with the intended college or major may result in additional courses and/or summer courses.

If you have questions related to your compatibility, please reach out to your academic advising team.
